

Hot Topics at Summer Camp

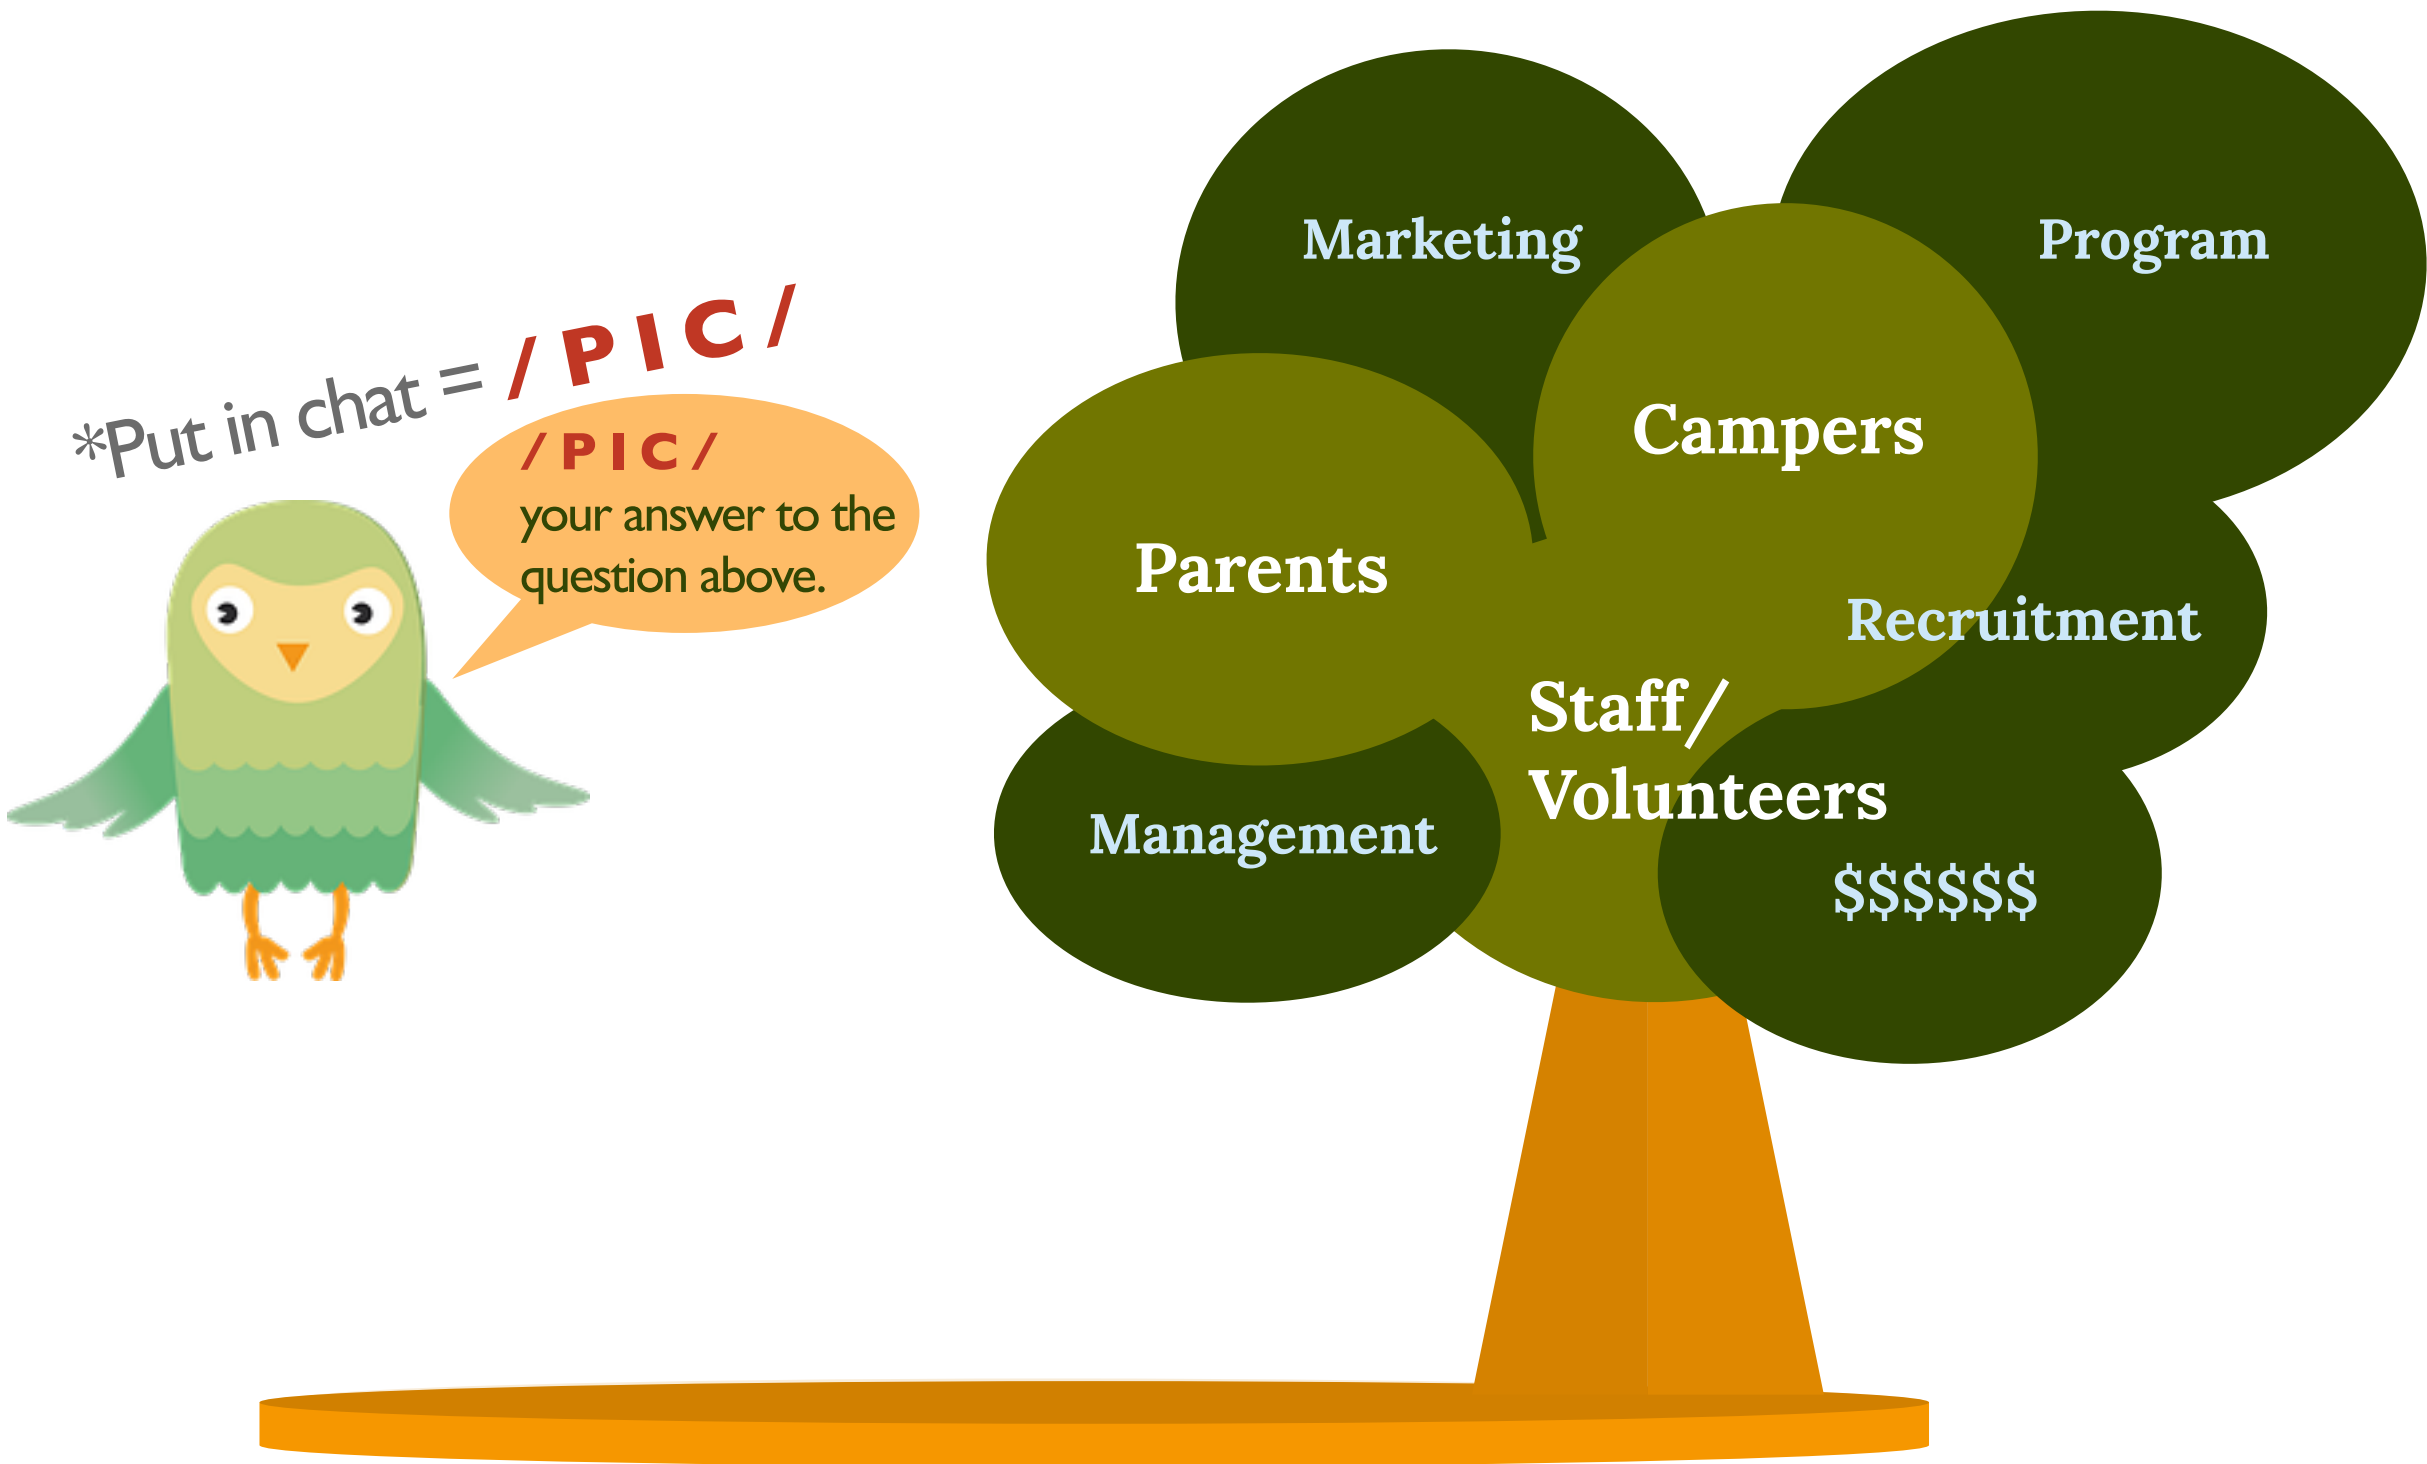

**Webinar
Series
2019-2020**

What unexpectedly took a lot of your time this summer?

What unexpectedly took a lot of your time this summer?

2019 Calls to ACA Crisis Hotline

Hot Topics at Summer Camp

**According
to the
ACA Crisis
Hotline**

bed bugs

- bed bugs can survive cold temperatures but succumb to heat over 120 degrees Fahrenheit
- best defense is to avoid exposure

vaping

- a container that heats a liquid into an aerosol that the user inhales
- flavors, nicotine, CBD, THC

vaping

- What's your policy for campers, CITs, staff, and visitors?

parents

- custody conflicts

- parental anxiety and camper-sickness
- “over”-involvement w/ both campers & staff
- request/demands for cabin assignments/
photos/internal paperwork
- approach with an attitude of partnership
- parenting post 9/11

politics

“I have anything to say, do I have anything at all.”

Mental Health

- what's developmentally appropriate?
- what resources are available to you?

Mental Health

- **Assess** for risk of suicide or harm
- **Listen** nonjudgmentally
- **Give** reassurance & information
- **Encourage** appropriate professional help
- **Encourage** self-help and other support strategies

Mental Health - Suicide

- “Are you having thoughts of suicide?” OR
“Are you thinking about killing yourself?”
- Have you decided how...?
when...?
- Have you secured the things you need to
carry out the plan?

National Suicide Prevention Hotline 1-800-273-8255

Gender Identity

- share pronouns as part of intros
- invite conversations about gender

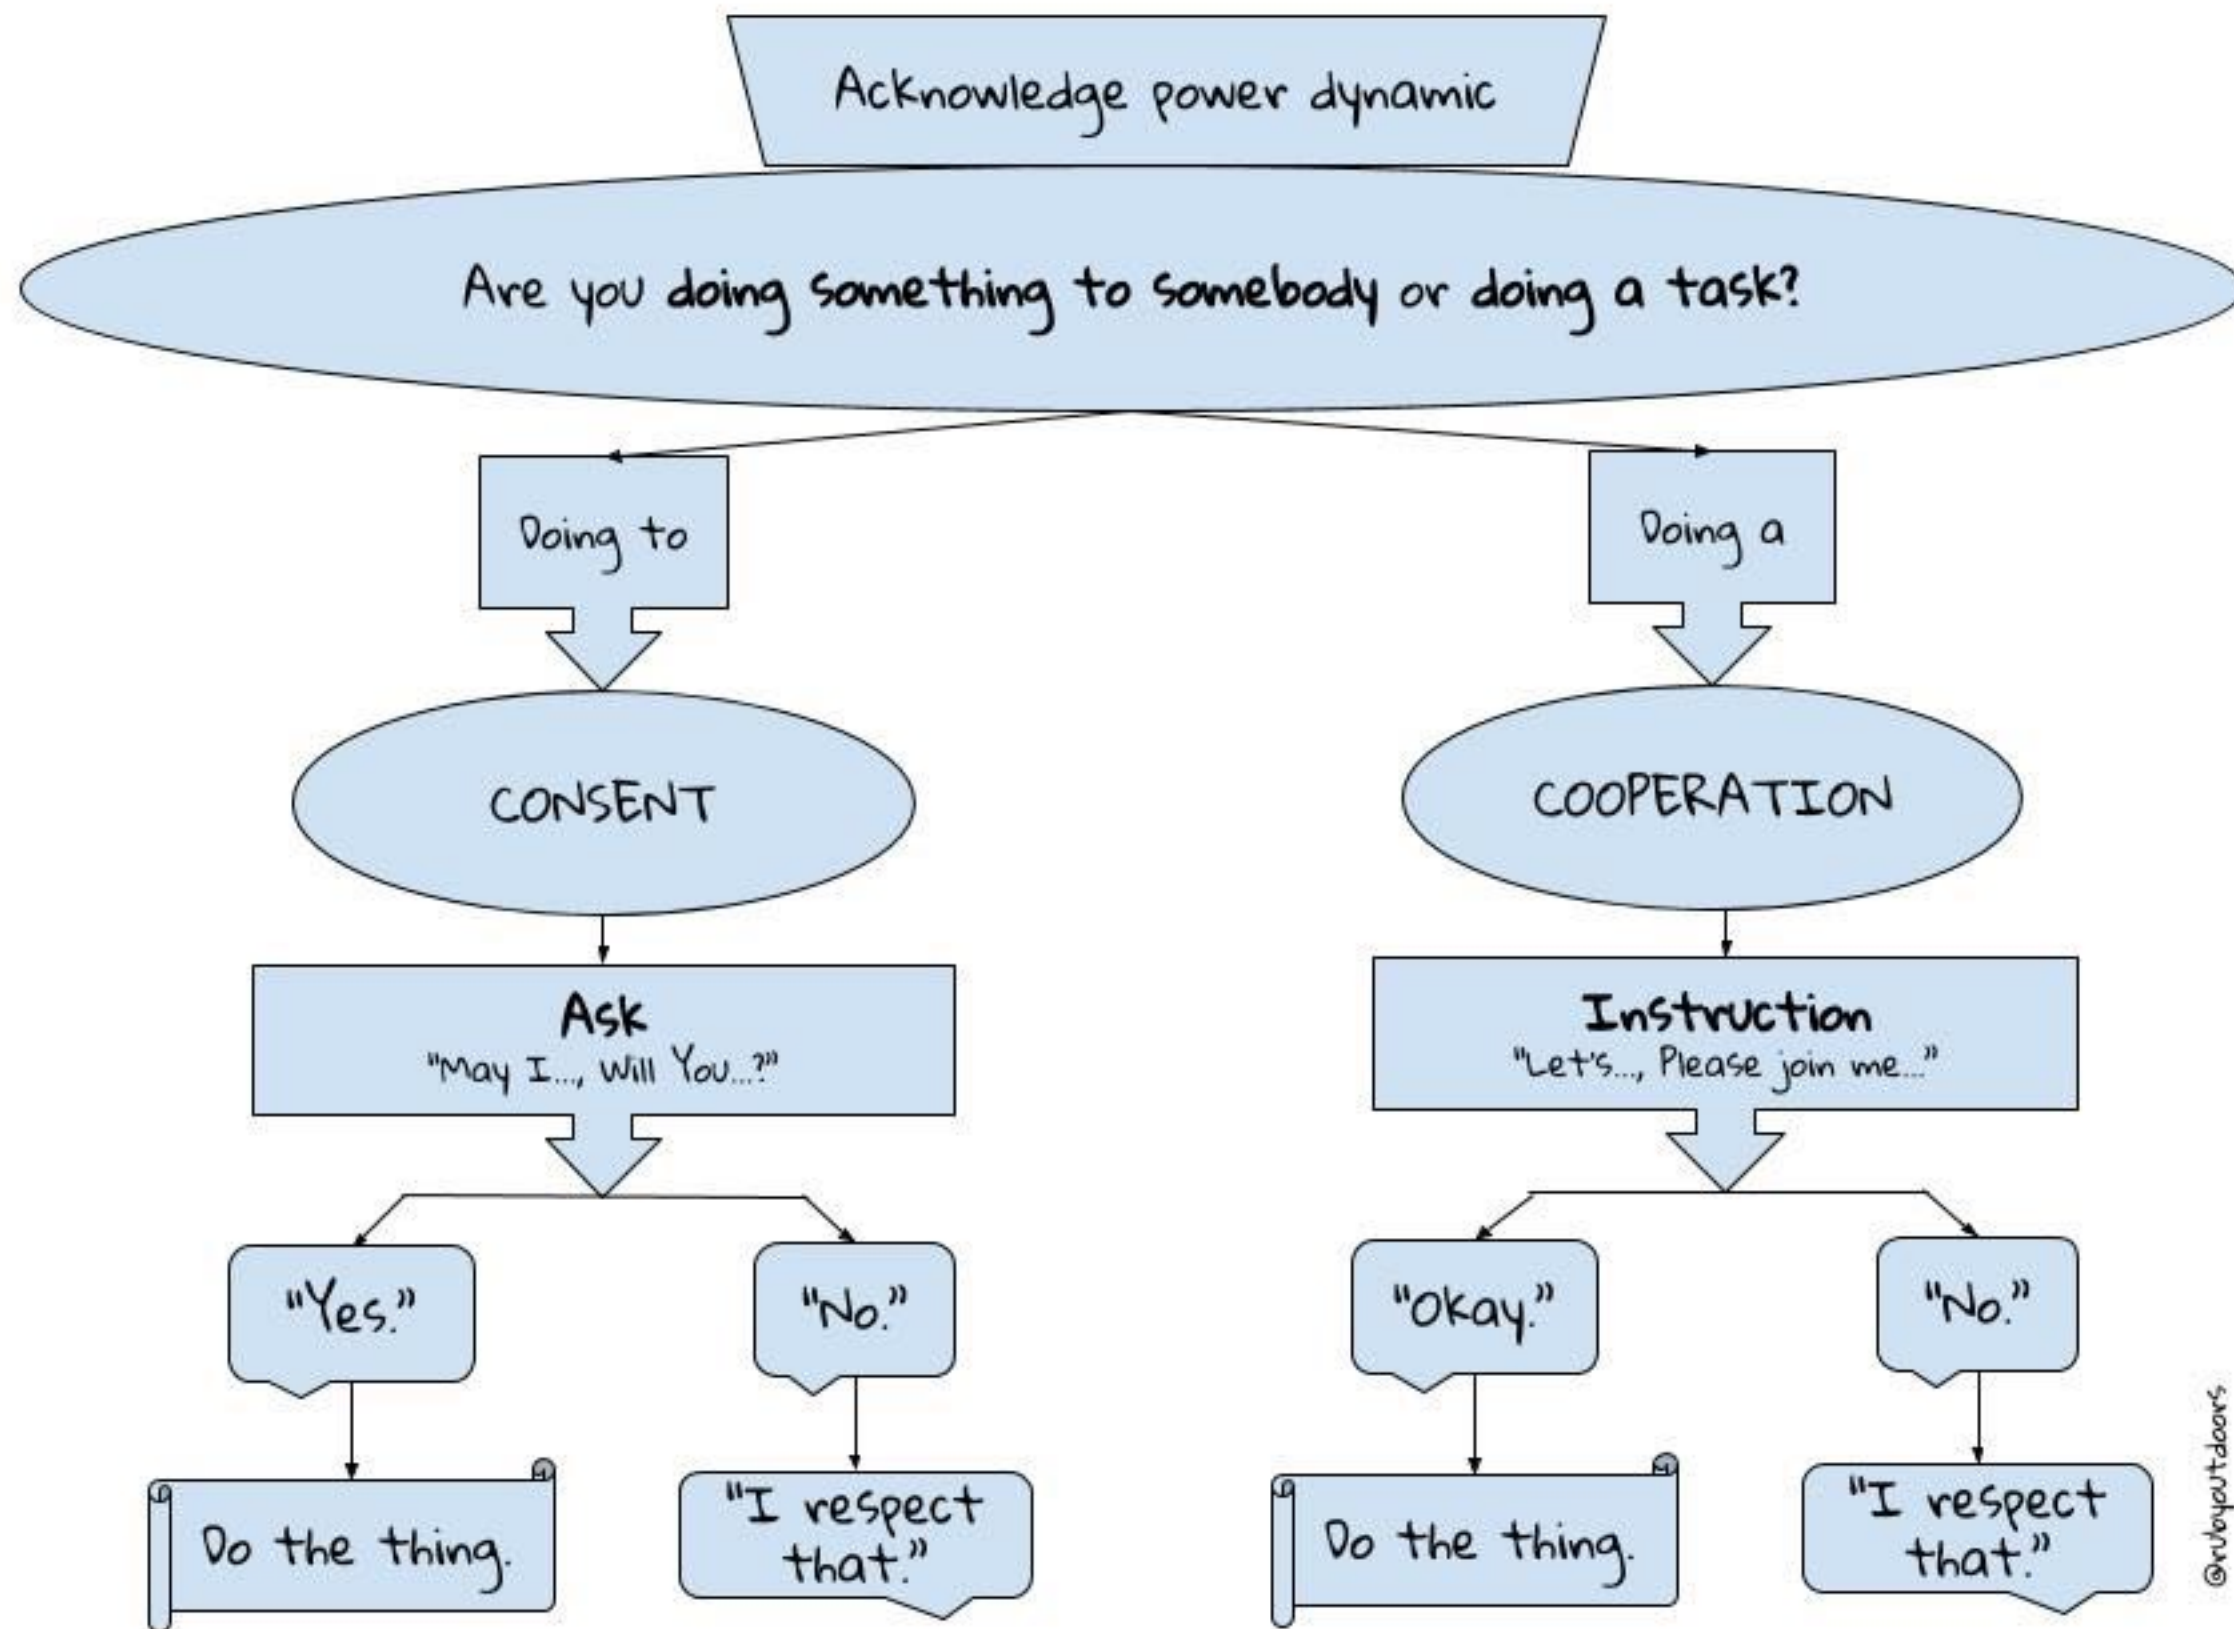

- what universal adaptations can you make?

#MeToo

- #1 reason parents don't send their children to camp...
- get authorities (police, attorney, insurance co, license counselor) involved ASAP

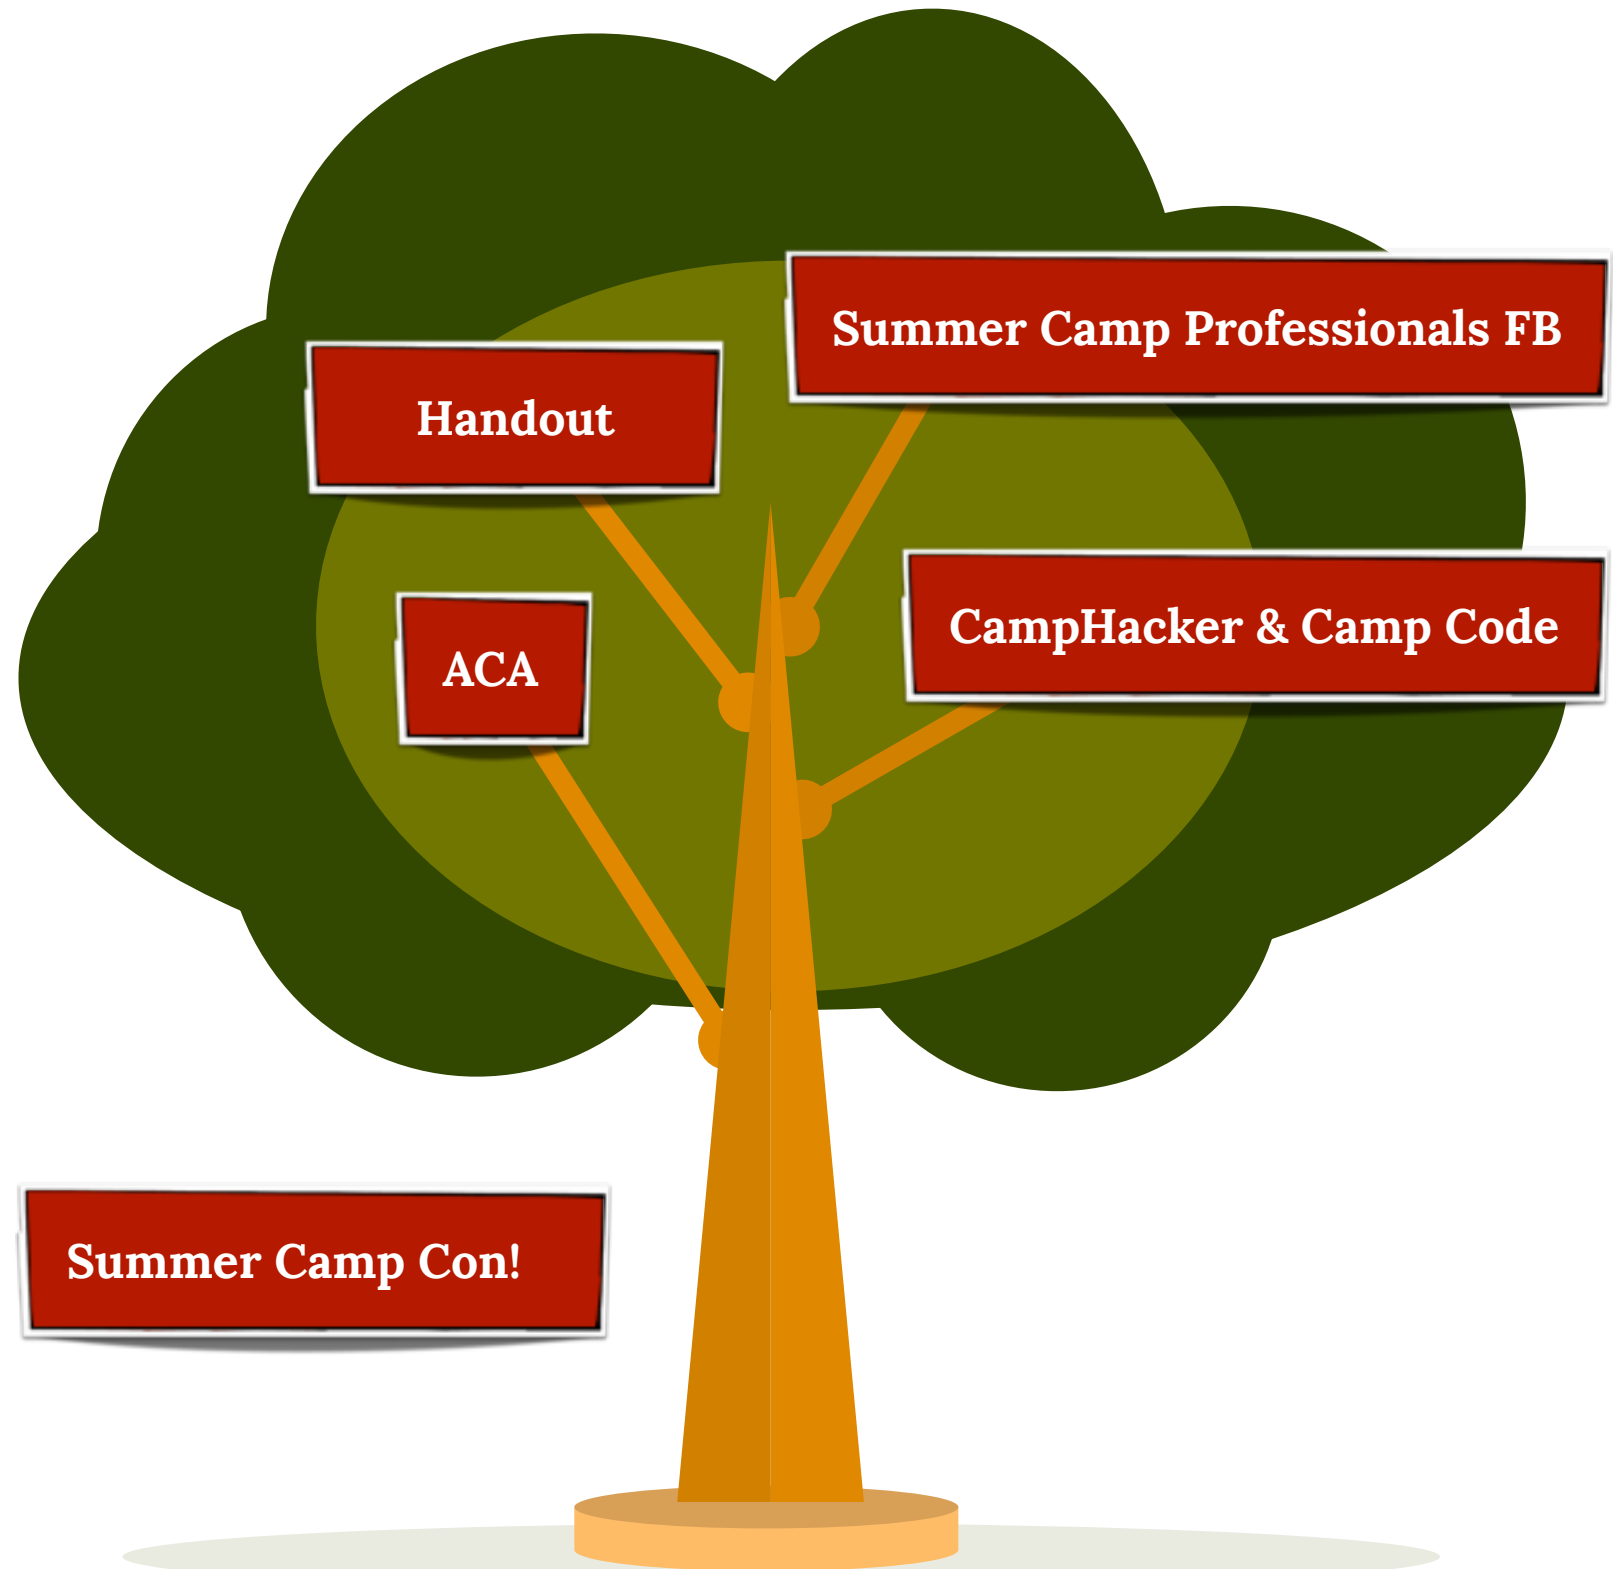

A Flow Chart About Consent

Whew! That was a lot!
