CONNECT WITH FISHERIES SCIENTISTS

ONE OF THE UNIQUE OFFERINGS OF THE TIA ALLIANCE IS ASSISTANCE IN CONNECTING STUDENTS TO PROFESSIONALS WORKING IN THE FIELD OF FISHERIES AND AQUATIC ECOLOGY. WORK WITH US TO CONNECT WITH A PROFESSIONAL IN YOUR AREA WHO CAN SPEAK TO YOUR CLUB, ADVISE ON A COMMUNITY PROJECT, OR EVEN INCLUDE STUDENTS IN THEIR RESEARCH!

1

LET US KNOW WHERE YOU ARE LOCATED SO THAT WE CAN CONNECT YOU TO THE NEAREST AMERICAN FISHERIES SOCIETY CHAPTER OR SOIL AND WATER CONSERVATION DISTRICT.

2

WE WILL PUT YOU IN TOUCH WITH SOMEONE FROM THAT CHAPTER OR SWCD TO SEE IF THERE IS AN INTERESTED AFS MEMBER OR SWCD STAFF MEMBER WHO WOULD BE WILLING TO WORK WITH YOUR SOS CLUB!
